

2024 Commercial Foodservice Session

Education & EPPS Programs

ECRM's educational sessions provide EPPS attendees with the opportunity to learn from thought leaders and category experts on a variety of topics aimed at their professional development. These sessions include presentations, moderated panel discussions, special events, workshops, and roundtable discussions focused on category insights and trends, as well as hands-on workshops to help buyers and sellers enhance the effectiveness of their meetings during an EPPS.

Roundtables (with beer & wine served)

60 minutes

Monday, October 28th | 6:00 PM - 7:00 PM

This is a great networking event giving participants the opportunity to discuss relevant industry topics in a round table format with fellow industry professionals sitting at the table.

Experiential Dining

With take-out and eating at home on the rise, restaurants need to find new ways to attract customers to their establishment. Experience-centric dining, or "eatertainment," offers fun activities and good food to make a night out more appealing. Find a unique activity that pairs well with your available space and menu options to create an enjoyable experience that draws new customers looking for more than just good food.

The Rise of Plant-Based Foods

How operators are expanding their menus with innovative plant-based dishes

Sustainability and Environmental Impact

Sustainability is a critical focus in the foodservice industry as businesses strive to minimize their environmental impact and respond to consumer demand for greener practices.
